RSSC Spring Has Sprung, Targets Are Flung
March 13 – April 8

Howdy Pards! Well, it's cool enough to go shooting so lets do it.

The format will be similar to previous leagues. Hey, if something works, why change? We will shoot over 4 weeks and take the best 3 scores to determine the final score out of 300 targets. Once again, this will allow you to miss a week for whatever reason and still be in contention to win. The entry fee of $20.00 will be paid back using the Lewis Class System so even us lame and blind guys and gals have a chance at the cash. An optional $5.00 Mystery Partner purse will be available with partners to be randomly drawn at the end of the league. Also, any donations for door prizes would be rightly welcomed.

You can shoot for score any day Thursday through Tuesday- Wednesday will be the day when the course targets, menus, etc. will be changed. Once again, the first time you shoot the new course each week will be your score for record, you can then shoot it as often as you want for fun and practice. The league will start Thursday, March 13th and run through Tuesday April 8th. You will be responsible for keeping your own scores and turning in the score sheets at the Activity Center Office. We have the card reader system installed at every station so you will need to have your own personal card or get one from the Activity Center Office before you can shoot. It's really a great system!

Remember now, this is suppose to be ***FUN*** and done on the ***Honor*** system. Scores will be checked, tabulated and posted weekly so you can check your running totals and placement. Bring a friend – the more the merrier!!!
